The image is a composite. On the left, there is a marble statue of David by Michelangelo, shown from the waist up, looking towards the right. On the right, there is a portion of the 'Last Supper' painting, showing Jesus with a beard and long hair, wearing a green robe, gesturing with his hands. A white speech bubble with a black outline is positioned between the two figures, containing the text 'I am getting bored.. Should I host a dinner?'. The background of the entire image is a blurred view of a museum gallery with large windows and classical architectural elements.

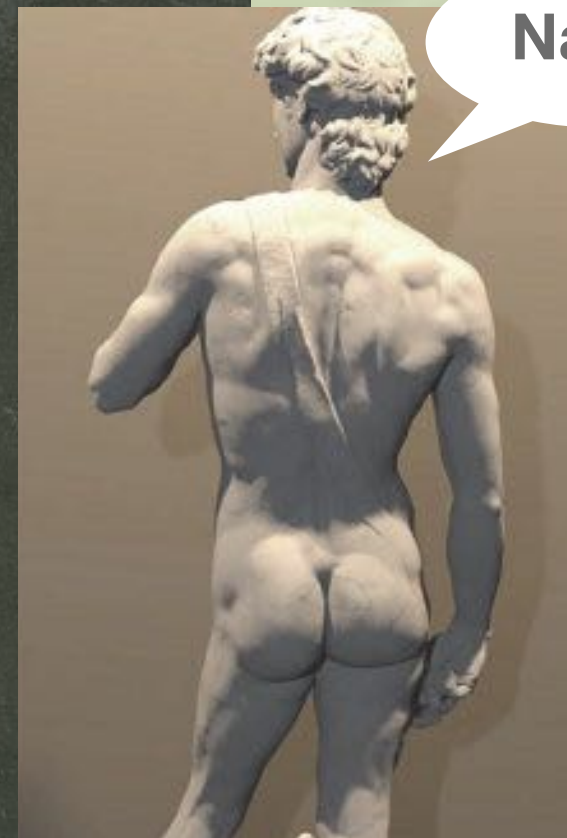

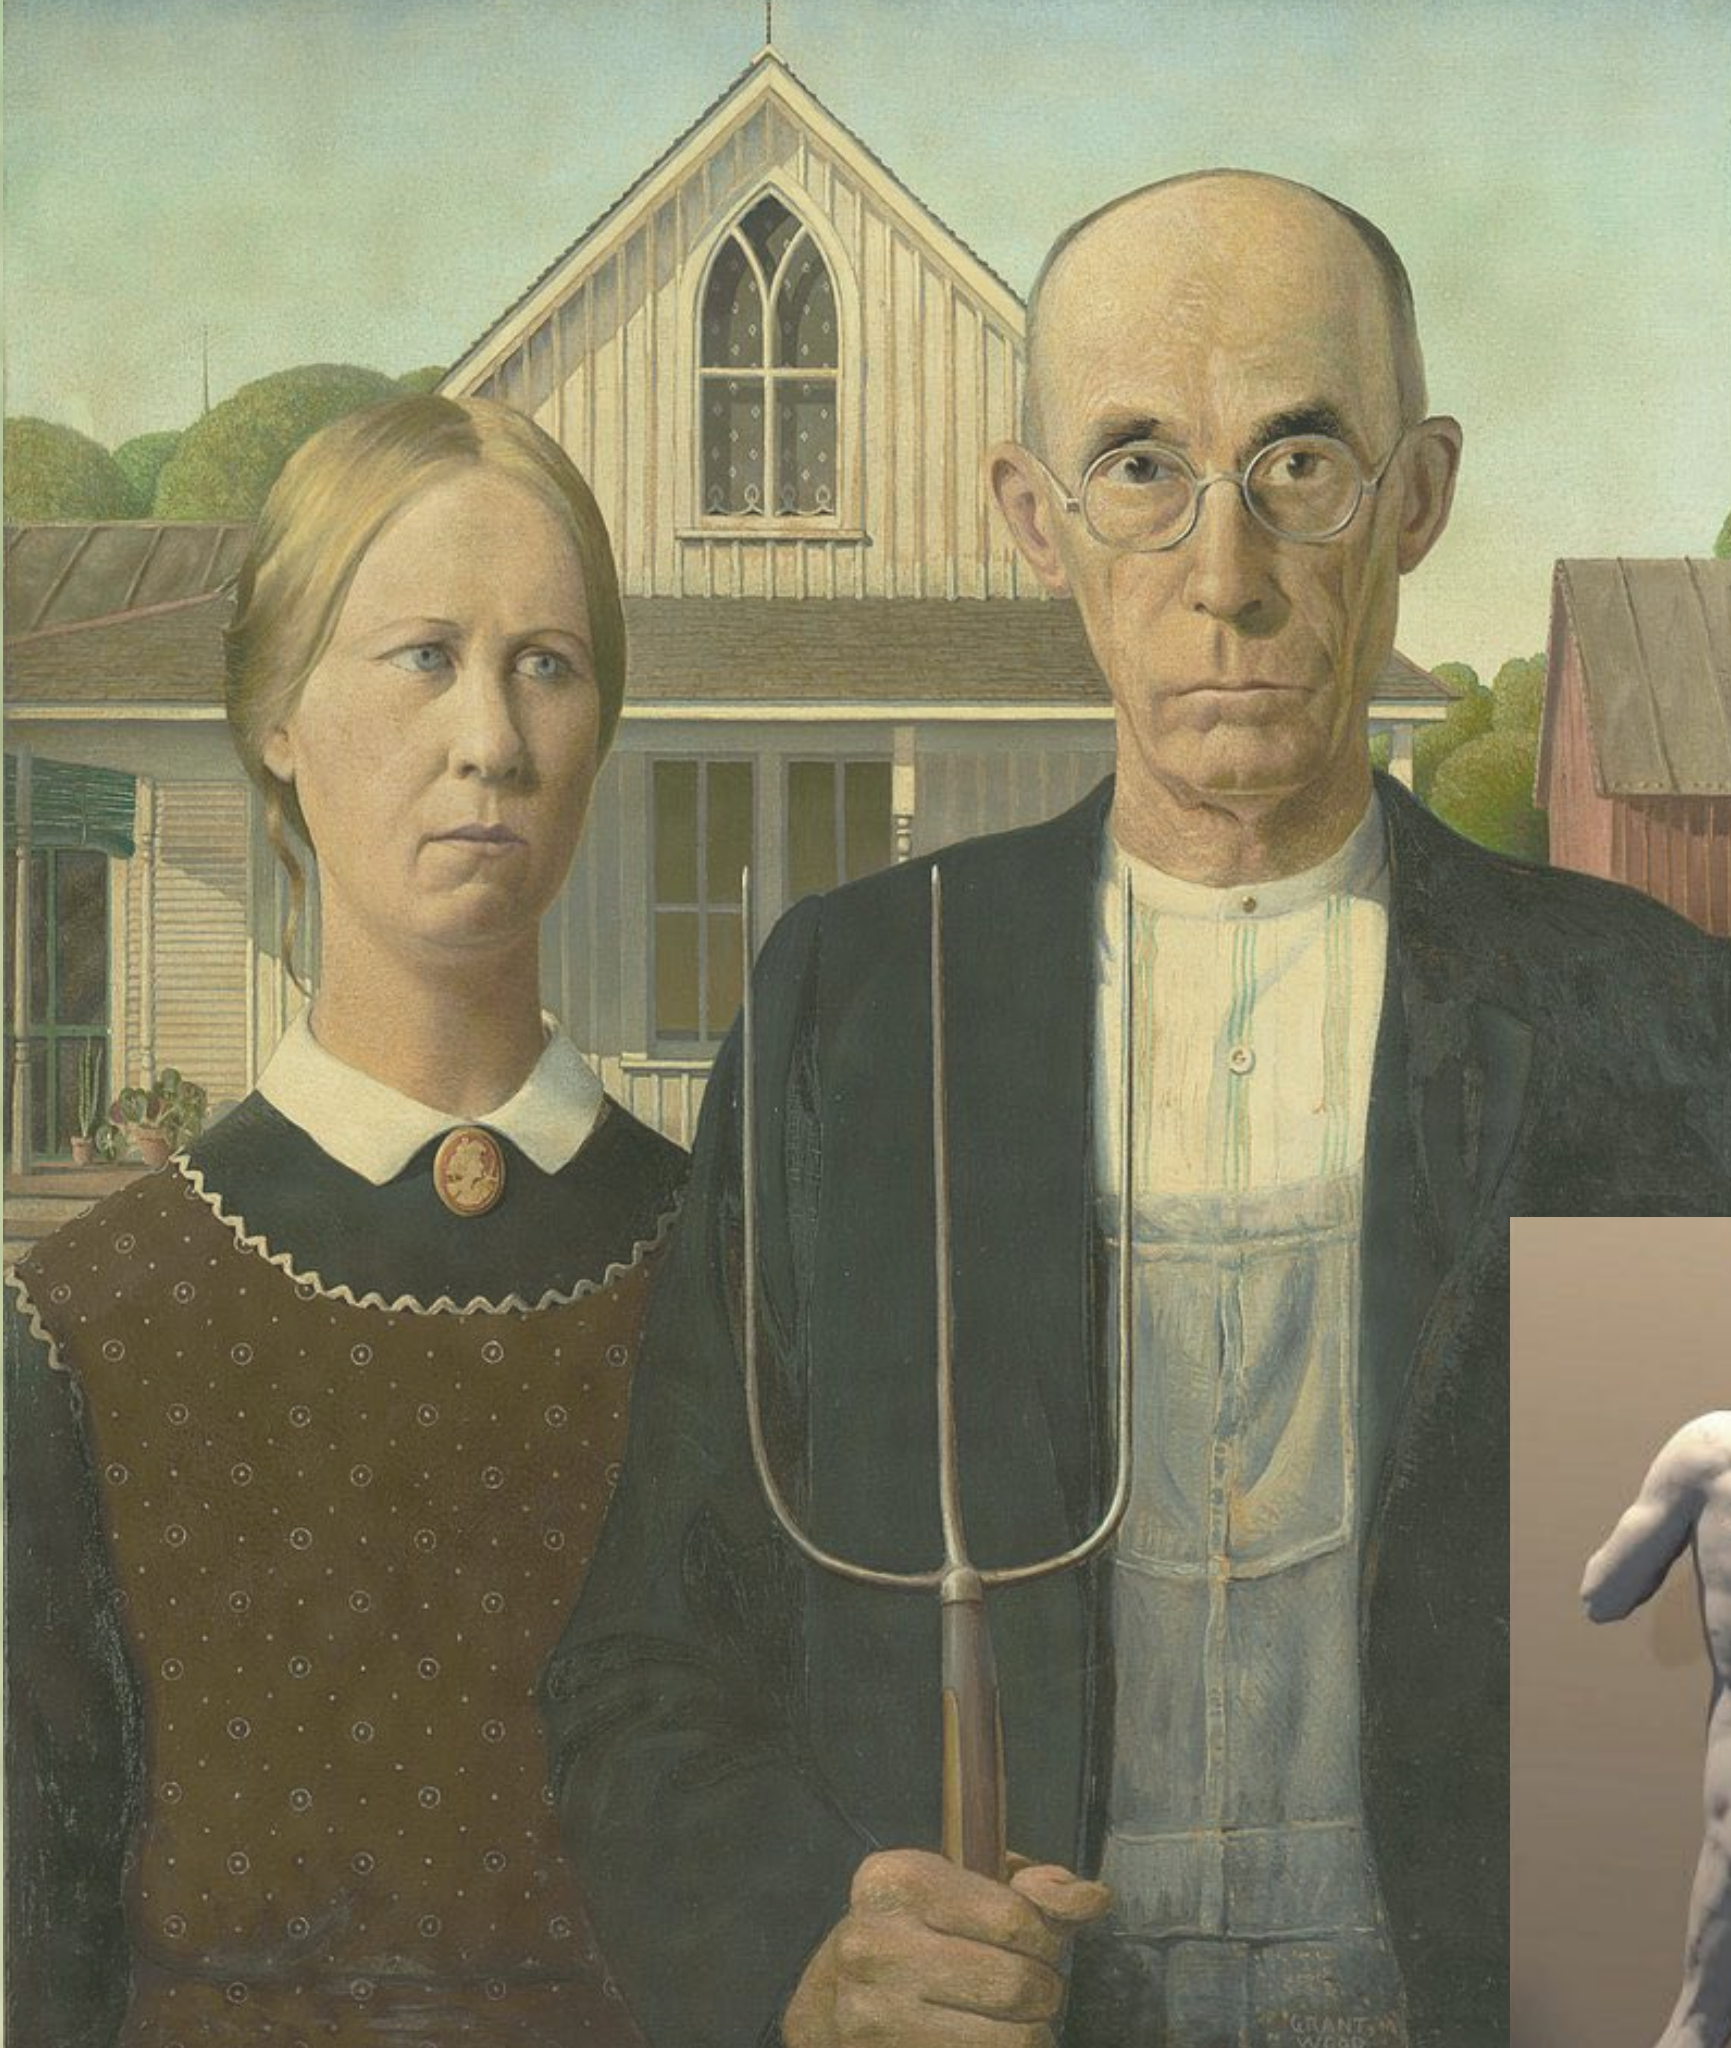

**I am getting bored..
Should I host a dinner?**

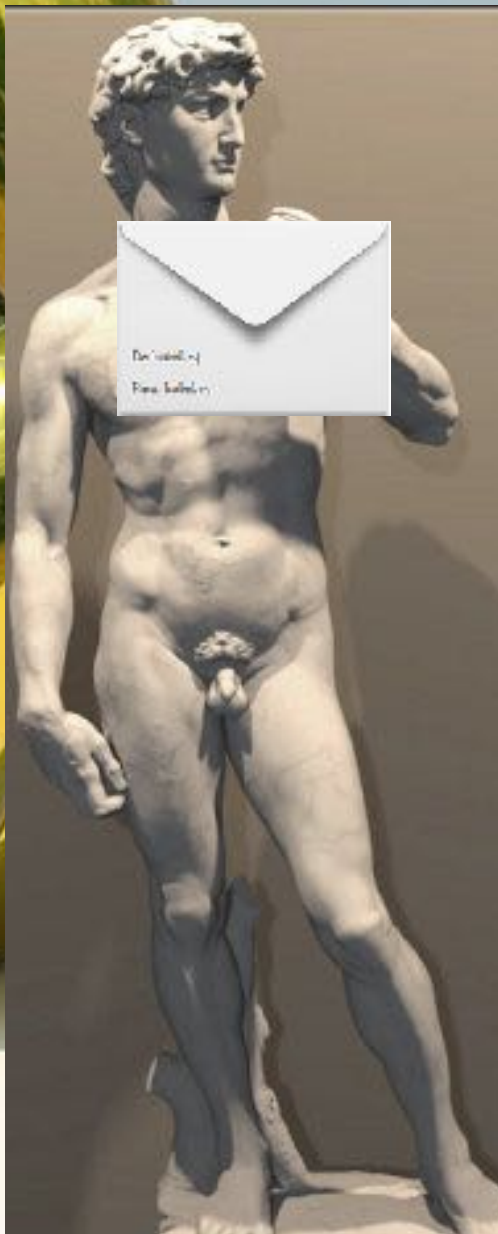

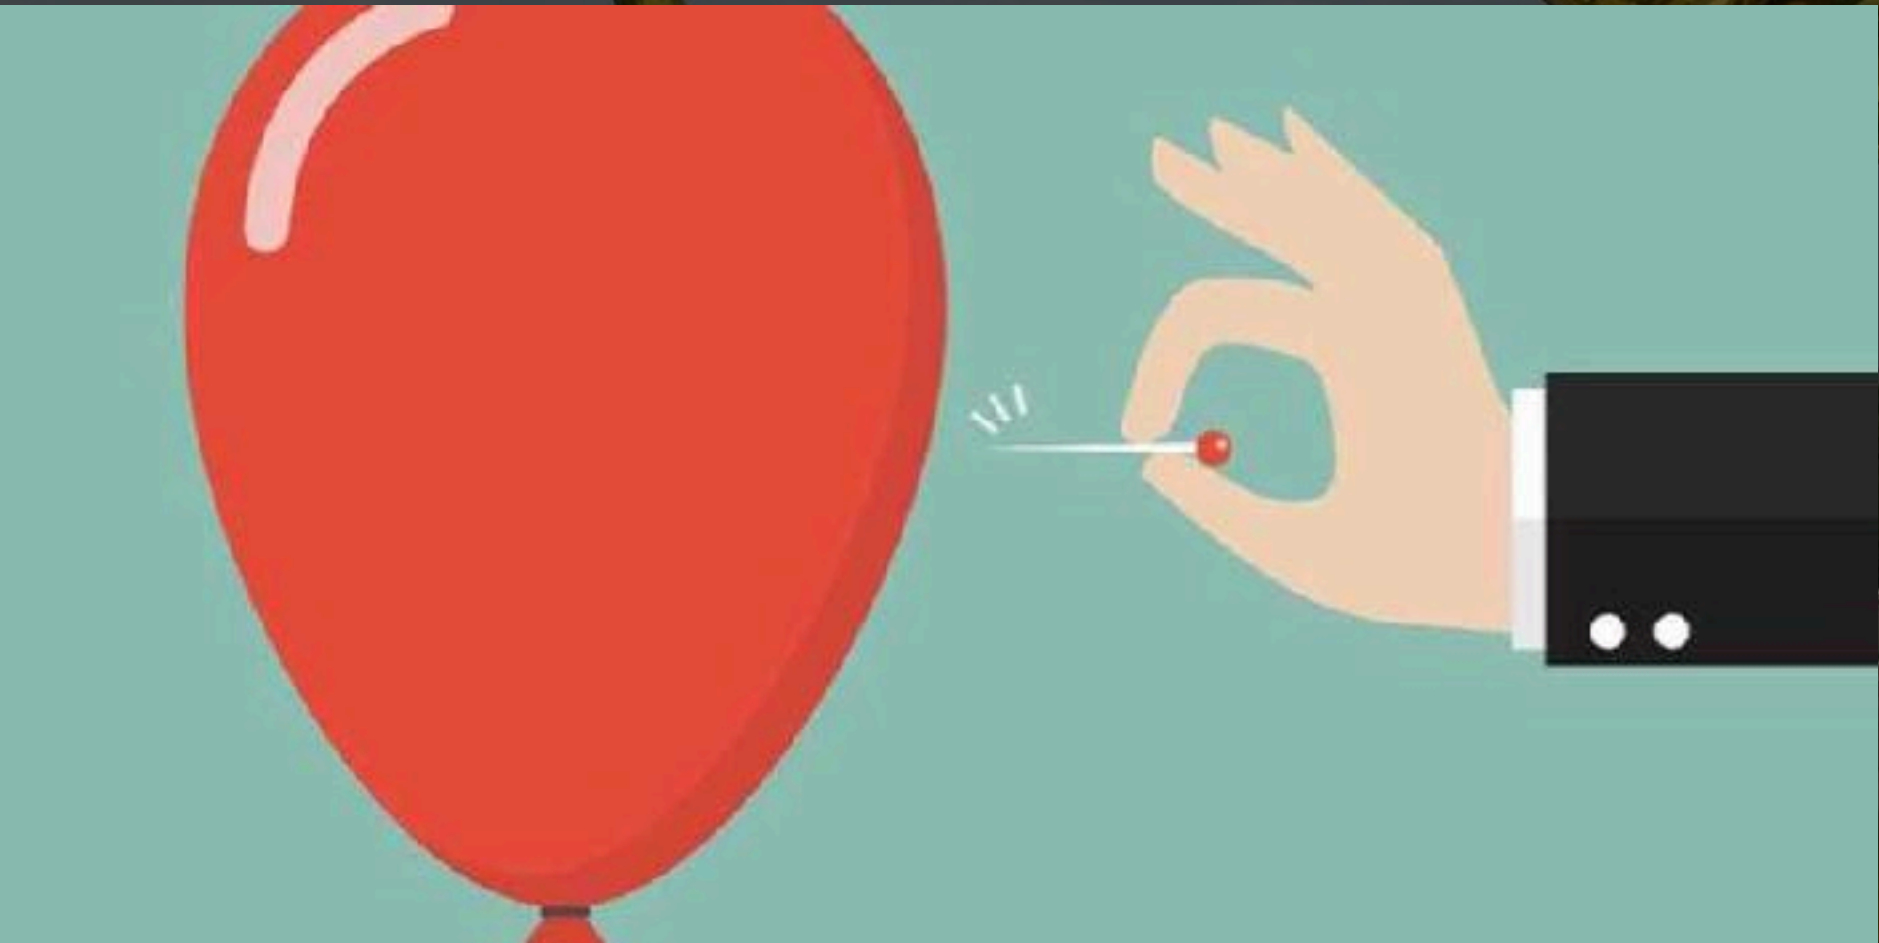

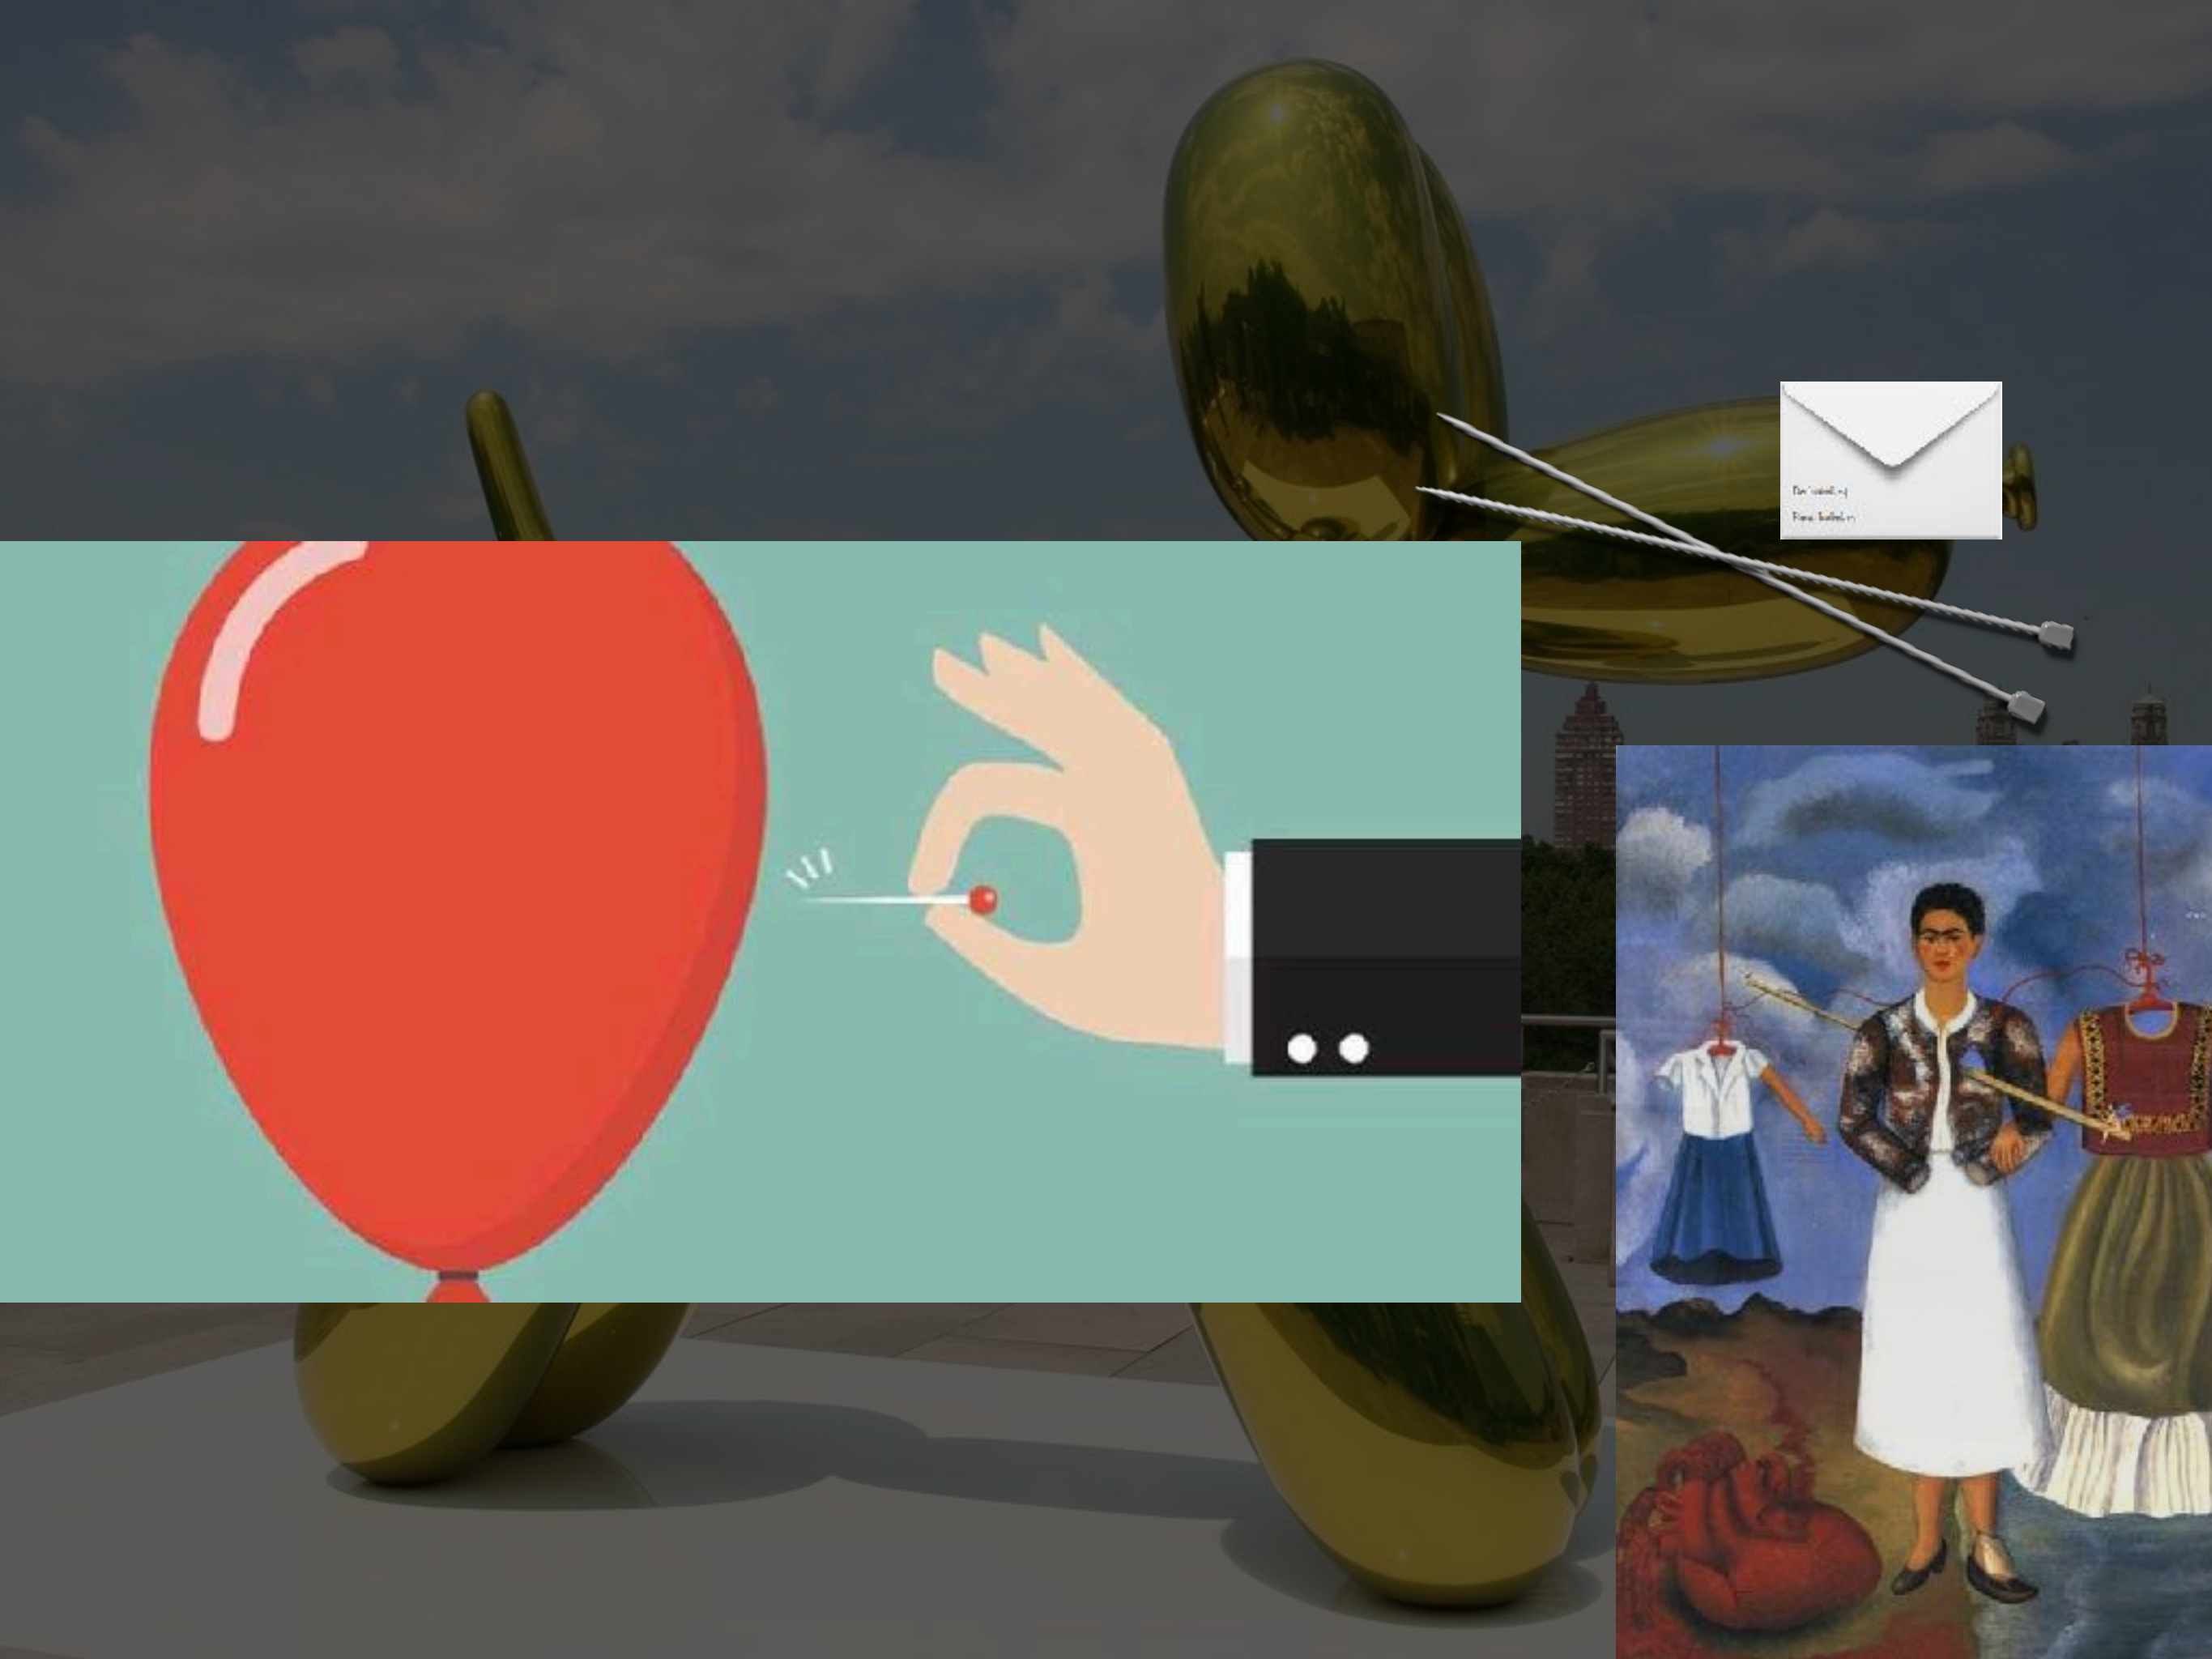

Nahh.

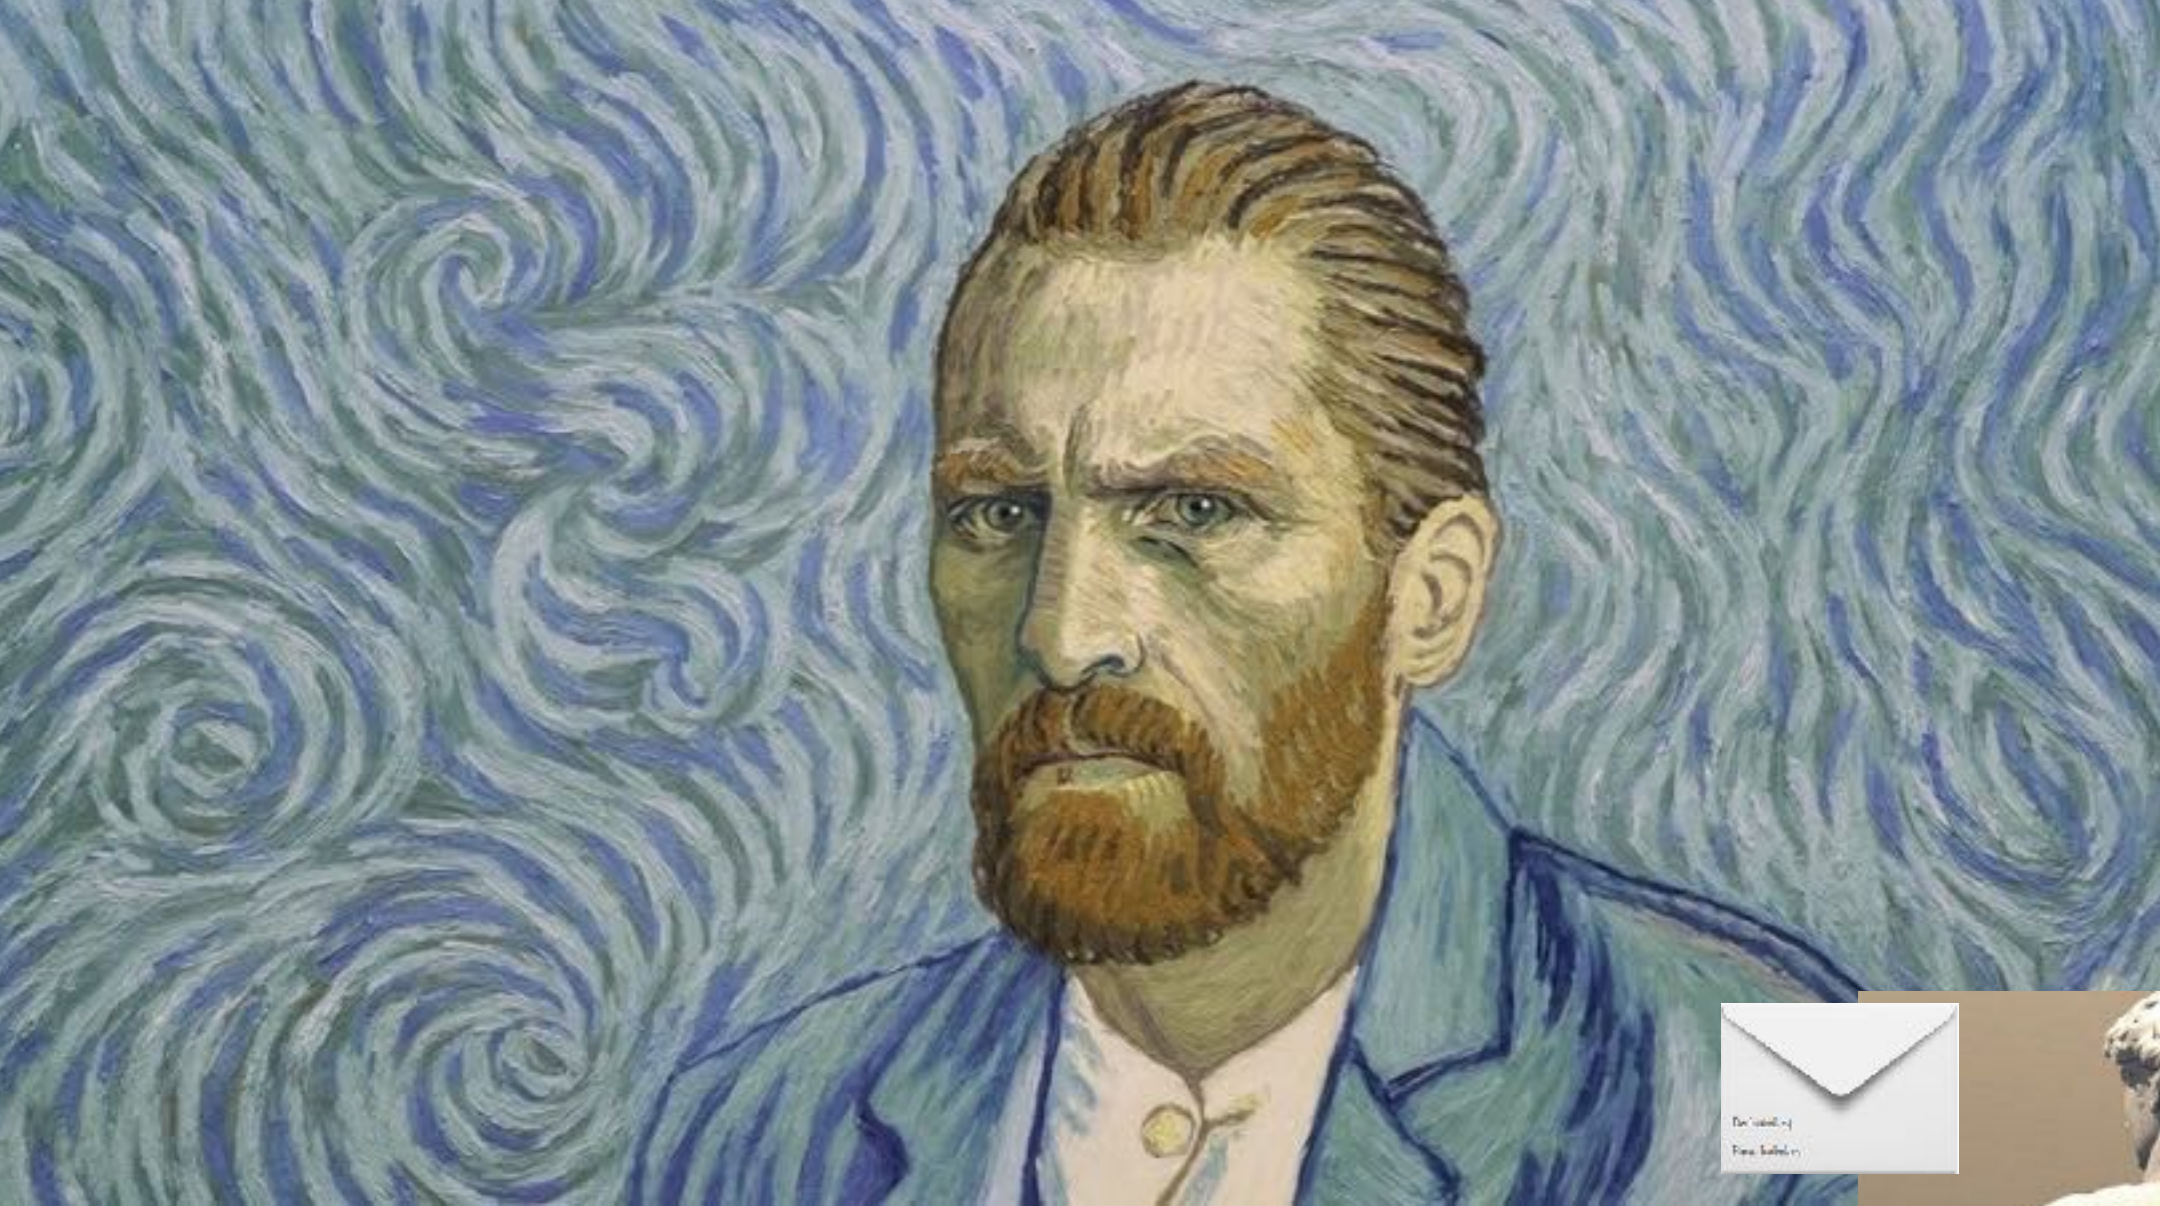

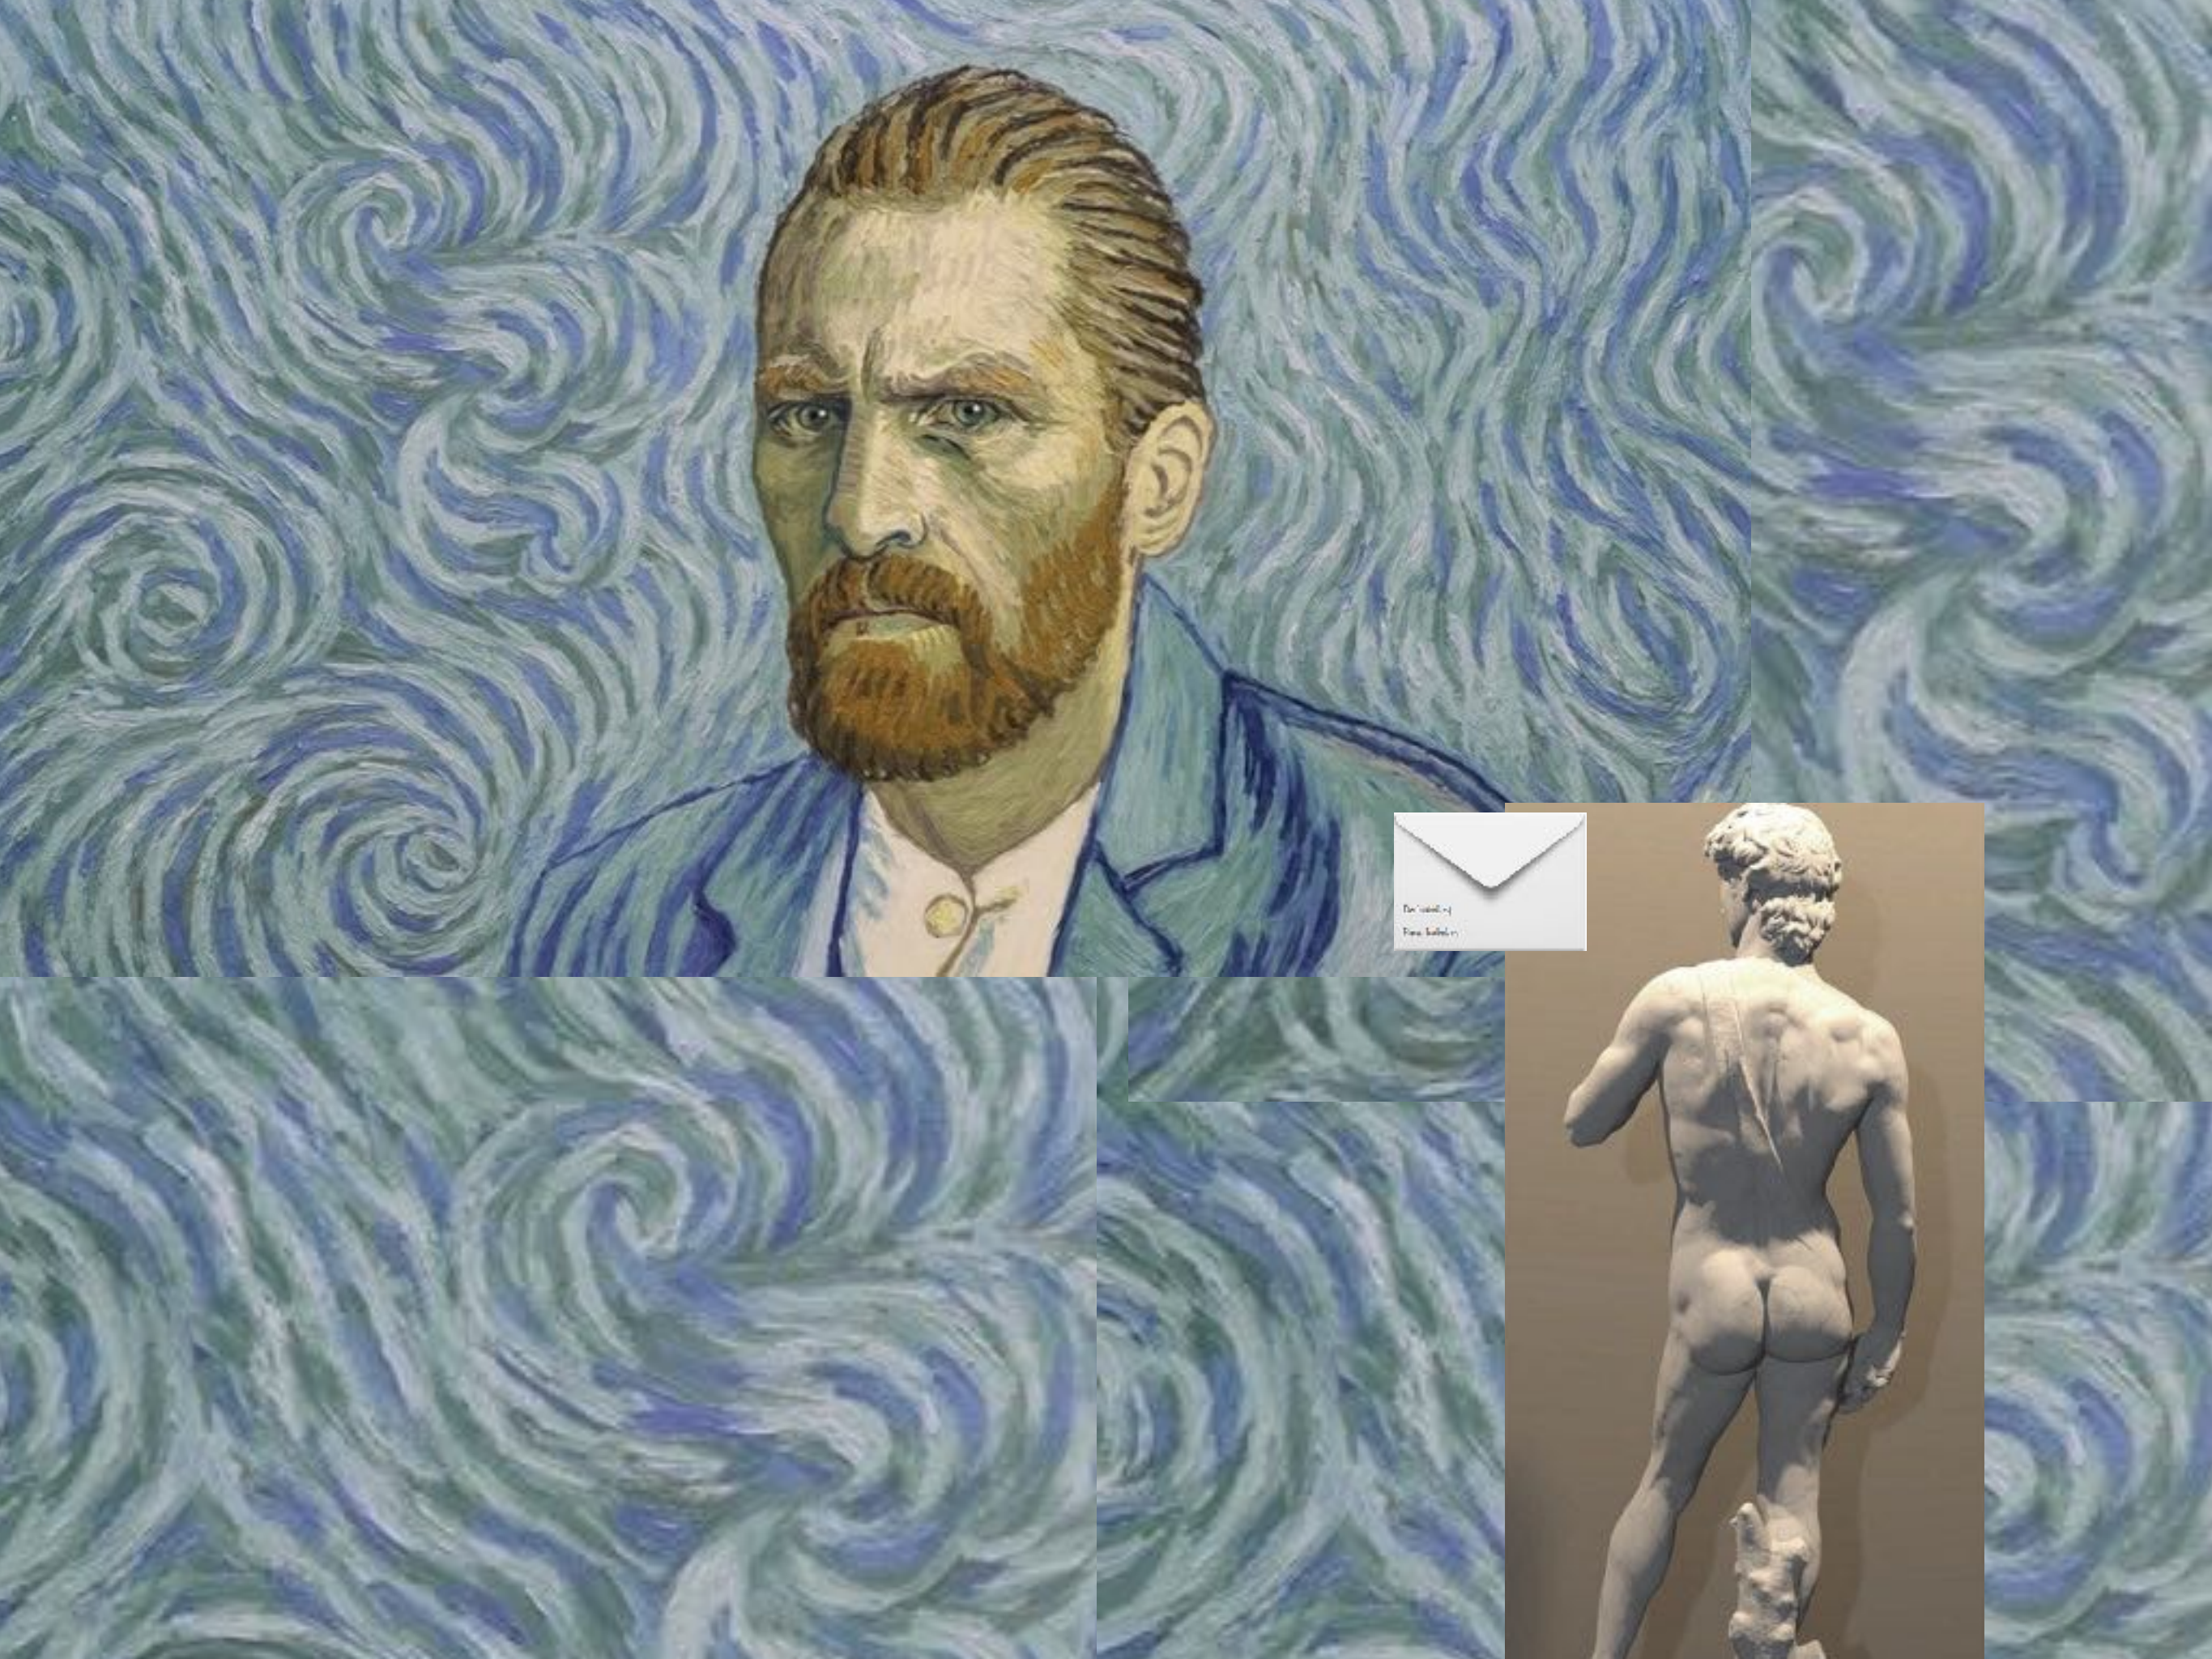

The 'starry, starry' night

From the 'starry, starry' night

What kind of food
should I prepare for them...
